* The statutory range for this category is 1 to 15 years. The Board of Pardons and Parole will consider all aggravating and mitigating factors in determining length of stay. Because the facts of the cases in this crime category are widely divergent, and criminal history is less determinative than in other categories, a single guideline recommendation, in this category, is not helpful in determining length of stay of an offender.

CONSECUTIVE ENHANCEMENTS: 40% of the shorter sentence is to be added to the full length of the longer sentence.

CONCURRENT ENHANCEMENTS: 10% of the shorter sentence is to be added to the full length of the longer sentence.
